

My Summer Tiki Tour

Stop 1 - Hanmer Springs

Why are we stopping here?

When my family go on holiday, Hanmer is one of places I LOVE to go to. Even though I have never gone to the Thermal Pools, I found that Hanmer has a lot of awesome things to do!

Stop 2 - Gondola (christchurch)

Why are we stopping here?

When I was little, I went here 24/7 (not legitimately) The ride was so calming and I loved looking at the rocks on the way up. When my family and I got up to the top, we would always go on the rides. After, I would always get an ice cream. I have so much memories at this place and hope to make more!

Stop 3 - Hokitika

Why are we stopping here?

Like my first stop, Hokitika was one of my family's favorite place to go to, and I have a great memory with this place. When I was around 3-4 I went to one of the shops and I got to choose a toy! I picked a really cute hedgehog, and my sister picked a lamb (she named it Lamy and still has it to this day! She was around 3)

Stop 4 - Kaikoura

Why are we stopping here?

My family and I LOVE to go here for road trips! I really like when we can sit down and watch the dolphins. One of my favorite activities I do in Kaikoura is go snail hunting! I find the snails and put them on my hand! They move around and it is so cool!
